C. Your Memorandum, Same Subject, dated
 31 July 1981

1. At the 24 July 1981 EXCOM concerning the IHSA, a number of decisions were made by the DDCI (reference A). One of those was to slightly modify the mission and function statement for the IHSA in reference C. Since this statement is now the approved statement for missions and functions of this office, I believe it should be issued as an HR in the [REDACTED] series, without further vetting. 25X1

25X1 2. The expiration of [REDACTED] to which your memorandum referred (reference C), should certainly proceed. If the effective date of the new regulation were 1 October 1981, then it could be allowed to lapse on schedule. If the regulation has an earlier effective date, then [REDACTED] should be rescinded with the promulgation of the HR. 25X1
